CITY ORDINANCE NO. 12- (2025)

AN ORDINANCE MANDATING THE INSTALLATION OF RAINWATER HARVESTING SYSTEMS IN ALL BUILDING INFRASTRUCTURES IN THE CITY OF BIÑAN.

Authored By. Hon. ALEXIS H. DESUASIDO

WHEREAS, the City of Biñan is committed to promoting sustainable urban development and environmental protection;

WHEREAS, the implementation of rainwater harvesting systems contributes to water conservation, reduces the risk of urban flooding, and supports the city's resilience against climate change;

WHEREAS, the 2018–2028 Biñan Zoning Ordinance emphasizes environmental protection and sustainable urban development;

NOW, THEREFORE, be it ordained by the Sangguniang Panlungsod of Biñan City in session assembled:

Section 1. Title

This ordinance shall be known as the "Rainwater Harvesting System Ordinance of Biñan City."

Section 2. Declaration of Policy

It is the policy of the City of Biñan to promote the conservation and efficient utilization of water resources through the mandatory installation of rainwater harvesting systems in all building infrastructures.

Section 3. Definition of Terms

• **Rainwater Harvesting System:** A facility or system designed to collect, store, and utilize rainwater for non-potable purposes such as irrigation, toilet flushing, and cleaning.

Section 4. Scope and Coverage

This ordinance shall apply to all new constructions and major renovations of residential, commercial, industrial, and institutional buildings within the jurisdiction of Biñan City.

Section 5. Mandatory Installation

All building plans submitted for approval must include provisions for a rainwater harvesting system. The system must be designed to collect rainwater from rooftops and store it in appropriate containers for non-potable use.

Section 6. Design Standards

The City Engineering Office, in coordination with the City Environment and Natural Resources Office (CENRO), shall develop and disseminate guidelines and standards for the design, construction, and maintenance of rainwater harvesting systems.

Section 7. Incentives

The city may provide incentives, such as tax credits or expedited permit processing, to encourage compliance and support the installation of rainwater harvesting systems.

Section 8. Penalties

Non-compliance with this ordinance shall result in the denial of building permits and may subject the violator to fines as determined by the implementing rules and regulations.

Section 9. Implementing Rules and Regulations

Within 60 days from the effectivity of this ordinance, the City Engineering Office and CENRO shall formulate the necessary implementing rules and regulations.

Section 10. Separability Clause

If any provision of this ordinance is declared unconstitutional or invalid, the remaining provisions shall remain in full force and effect.

Section 11. Repealing Clause

All ordinances, resolutions, and other issuances inconsistent with this ordinance are hereby repealed or modified accordingly.

Section 12. Effectivity

This ordinance shall take effect 15 days after its publication in a newspaper of general circulation within Biñan City.

UNANIMOUSLY APPROVED.
