WHEREAS, Republic Act No. 9710, otherwise known as the Magna Carta of Women, mandates all local government units to ensure access of women and girls to comprehensive health information and services;

WHEREAS, Polycystic Ovary Syndrome (PCOS) is a hormonal disorder affecting millions of women worldwide, including adolescents, and requires early awareness, diagnosis, and management;

WHEREAS, there is a need to institutionalize a city-wide education and awareness program to promote understanding, prevention, and proper treatment of PCOS among young women in Biñan City;

NOW, THEREFORE, BE IT ORDAINED by the SANGGUNIANG PANLUNGSOD NG BIÑAN, LAGUNA in session assembled, that:

SECTION 1. TITLE

This Ordinance shall be known as the *“PCOS Awareness and Adolescent Reproductive Health Ordinance of Biñan City.”*

SECTION 2. DECLARATION OF POLICY

It is hereby declared the policy of the City of Biñan to promote women’s and adolescent health through preventive education, early detection, and accessible treatment for PCOS and related reproductive health conditions.

SECTION 3. DEFINITION OF TERMS.

1. **PCOS (Polycystic Ovary Syndrome):** A hormonal disorder common among women of reproductive age.
2. **Adolescent:** A person aged 10–19 years old, in accordance with DOH guidelines.
3. **GAD Office:** The City Gender and Development Office tasked to mainstream gender sensitivity in all programs.
4. **Consent:** Written permission of the parent or guardian for minors participating in the program.

SECTION 4. IMPLEMENTING OFFICES

The **City Gender and Development Office** and the **City Health Office** shall jointly implement this Ordinance in coordination with:

1. **Department of Education – City of Biñan Division,**
2. **Public and private secondary schools,**
3. **Child and Maternity Care Department of the Biñan City Hospital, and**
4. **Other partner organizations as may be deemed necessary.**

SECTION 5. COMPONENTS OF THE PROGRAM

The PCOS Awareness and Adolescent Reproductive Health Program shall consist of the following interrelated components, to be jointly implemented by the City Gender and Development Office and the City Health Office:

a. Awareness and Education Campaign

This component shall focus on information dissemination and advocacy in schools and communities to promote understanding of PCOS and women's reproductive health.

Activities may include but not limited to:

1. Health lectures, seminars, and school-based symposia led by medical professionals;
2. Distribution of printed and digital Information, Education, and Communication (IEC) materials in English and Filipino;
3. Media and social media campaigns, community health caravans, and observance of
4. PCOS Awareness Month every September (pursuant to national health campaigns).

Definition: This component aims to build knowledge, correct misconceptions, and remove stigma related to PCOS and other reproductive health concerns.

b. Health Screening and Survey

This component shall include the conduct of voluntary surveys and preliminary health assessments among adolescents in coordination with school health personnel and City Health Office medical teams.

1. The survey will gather baseline data on menstrual health and PCOS awareness among students.
2. Health screening shall include non-invasive assessments such as BMI checks, menstrual pattern review, and counseling interviews.

Definition: Health screening and survey serve as a preventive measure to identify possible cases of PCOS early and to establish a local health database for program planning.

c. Parental Consent and Counseling

In recognition of the rights and responsibilities of parents and guardians, written informed consent shall be required prior to participation of minors in any medical or data-gathering activity.

1. Counseling sessions may be conducted for parents to increase their awareness and encourage supportive family environments.

Definition: This ensures adherence to ethical standards, respect for family authority, and proper guidance for adolescent participants.

d. Medical Referral and Treatment Program

All participants identified with possible symptoms of PCOS or related hormonal disorders shall be referred to the Biñan City Hospital – Child and Maternity Care Department or other accredited partner facilities.

1. Free or subsidized medical consultations, laboratory tests, and initial treatment shall be provided, subject to availability of funds.

Definition: This component ensures that the program does not end at awareness but extends to actual medical intervention and support.

e. Psychosocial Support and Counseling

The GAD Office, in partnership with the City Health Office, shall provide psychosocial interventions and counseling services to adolescents diagnosed with or suspected of having PCOS

1. These sessions shall address self-esteem issues, body image concerns, and emotional well-being.

Definition: This component promotes holistic healing by addressing both the physical and mental aspects of women's health.

f. Monitoring, Documentation, and Reporting

All activities, including attendance, feedback, and health outcomes, shall be documented. Annual reports shall be submitted to the Office of the Mayor and the Sangguniang Panlungsod through the Committee on Health and Committee on Women and Family Affairs every last week of the month of September.

Definition: Monitoring and documentation ensure transparency, continuity, and improvement of the program through evidence-based evaluation.

SECTION 6. IMPLEMENTATION PROCESS

1. **Planning and Coordination Phase** - The City GAD Office and City Health Office shall convene an inter-office planning committee to craft an annual implementation plan and schedule. Coordination shall be established with the Department of Education – City of Biñan Division, school principals, and barangay officials for program rollout.
2. **Information and Education Campaign Phase** - Conduct school-based seminars, lectures, and health forums to raise awareness on PCOS, reproductive health, and women's well-being. Develop and distribute IEC materials in both English and Filipino.
3. **Survey and Parental Consent Phase** - Disseminate consent forms to parents or guardians prior to any health survey or assessment. Conduct confidential health surveys and initial screening among participating students, with proper medical personnel present.
4. **Screening and Referral Phase** - Identified participants showing possible symptoms of PCOS or other reproductive concerns shall be referred to the Biñan City Hospital's Child and Maternity Care Department for further evaluation. Maintain proper data privacy and confidentiality of all participants.
5. **Treatment and Counseling Phase** - Provide medical consultation, laboratory diagnostics, and treatment as necessary. Offer psychosocial counseling and family support sessions facilitated by the City Health Office and GAD Office.
6. **Monitoring and Evaluation Phase** - The GAD Office and City Health Office shall jointly submit an annual report to the Office of the City Mayor and the Sangguniang Panlungsod Committee on Health and Committee on Women and Family Affairs. Reports shall include the number of schools covered, participants reached, and cases referred and treated.

SECTION 7. PARENTAL CONSENT REQUIREMENT

All activities involving minors shall strictly require written parental consent prior to participation in any medical or survey component of the program.

SECTION 8. FUNDING

Funds for the implementation of this Ordinance shall be sourced from the GAD Fund, City Health Office annual budget, and other available sources subject to existing accounting and auditing rules.

SECTION 9. IMPLEMENTING RULES AND REGULATIONS (IRR)

Within sixty (60) days after approval, the City Health Office and GAD Office shall issue the necessary IRR for effective implementation.

SECTION 10. SEPARABILITY CLAUSE.

If any provision of this Ordinance is declared invalid, the remaining provisions shall continue to be in full force and effect.

SECTION 11. EFFECTIVITY.

This Ordinance shall take effect fifteen (15) days after publication in a newspaper of local circulation.

UNANIMOUSLY APPROVED.
